In response to the recent earthquake in Albania, the Mennonite church and school communities in Lezhë have come together to support 15 Roma families who lost their homes. They are providing temporary shelter during the month of December for 74 persons, 24 of whom are children, as well as clothing, blankets, personal items, and daily meals. Estimated costs are \$5,000 US per week.

VMMissions has established an Albania Earthquake Relief Fund to help support their efforts. Contributions can be made online at vmmissions.org/albaniarelieffund, or by check, made out to VMMissions, with Albania Earthquake Relief in the memo, and mailed to 601 Parkwood Drive, Harrisonburg, VA 22802. In the unlikely event that contributions exceed the need in Lezhë, they may be used in other relief efforts.
