Thank you so very much...

For your kind words, deeds, thoughts, and prayers for our family on Paul's passing, I want to thank you. The love came right through those many cards we received.

-Erma Lehman

We want to thank you for the many ways you reached out to us on the death of Lila Mae Janzen, Milton's mother. Prayers, words, flowers, food and cards made us feel so very loved.

-Milton and Anna Janzen

Please pray for the family of Bette Milow, Alison Haven's mother, who finished her life journey this side of heaven on January 25. Bette would have been 100 years old on February 8.

Alison is one of Bette's five daughters. Please pray for Alison, Dub, and the entire family as they say goodbye and reflect on a life well lived.

The red roses bring light into a difficult time. They are so thoughtful, and we feel so grateful to have the HMC family in our lives. Alison's mother loved flowers, so the roses are a timely remembrance. Thank you for the flowers, your love, and support,

-Dub & Alison Havens
