Did you know there is a website for anything related to the Anabaptists? The Global Anabaptist Mennonite Encyclopedia Online (**gameo.org**) is available for all of your questions. You will find information on Anabaptist-related congregations, denominations, conferences, institutions and significant individuals, as well as historical and theological topics. Secular subject articles from an Anabaptist perspective and full-text source documents are also included. Check it out when you have time. -Pastor Howard

The Eastern Virginia Mennonite Disaster Service board this week has approved a grant to replace the roof of Linwood and Shirley Debrew.

This is a tall, two-story house with a steep roof so a contractor will be doing the bulk of the work. This is a wonderful connection as Linwood was part of Huntington church as a child. He says the Mennonites changed his life and showed him that there are people who were not like the ones seen on TV during the Civil Rights struggle. He has dedicated his life to helping others. Mr. Debrew is bedridden and together they believe that this is a provision from the Lord. Let's keep them and MDS in our prayers in the coming days as work begins.

In response to God's call, we worship God, giving ourselves to God's work of liberating, reconciling, and equipping each person into full ministry as followers of Jesus Christ in the Kingdom of God.
