This Thursday: The Saunders Elementary Food Bank will be back in operation on February 12. If you can help, please meet at HMC at 12 so that we can carpool to Saunders. We will be setting up the pantry tables and organizing the various food items to make it easy for people to select items. Sometimes people need assistance as they go through the line or to take things to their car, so that is another way we can help. Finally at the end we help with clean-up and putting tables away. This is a great way for us to reach out to our community and let them know that our faith is more than a Sunday exercise.
